

Creating a Safe Environment

Thank you for taking the time to participate in this child abuse prevention training. It is a priority of Scottsdale Bible Church to create a safe environment for our children and youth. By law, all volunteers are mandatory reporters of child abuse, and you are required to receive training on child abuse prevention, detection, and how to reduce the risk of child sexual abuse from occurring within the church. Because of that we require all volunteer staff to view this on-line training. It will provide you with information that is vital to ensuring the safety of our children. However, the training contains information that is mature in nature, and children are not intended to watch it. Please watch it in its entirety and read through the Frequently Asked Questions handout. When you have completed the training, please sign the verification section at the bottom of the page and turn it in to the ministry in which you wish to volunteer. If you have further questions, please contact Nonie Maupin at 480-824-7237.

Creating a Safe Environment (Part 2) Verification

Yes, I have viewed Creating a Safe Environment (Part 2) training in its entirety and read through the Frequently Asked Questions Handout. I understand my responsibility in reporting child abuse should I suspect that a child is being abused.
