The Heart of God's People | I Peter 1:22–2:3

Jamie Rasmussen, senior pastor

MAIN POINT: The heart of the Church's activity toward each other is love (1:22).

I. Because we know Jesus and the Spirit lives in us we are primed to love like God loves (1:22, 23–25).

II. Loving like God loves means deeply felt and from the heart (1:22–23, 2:2–3).

III. The enemy of love is relational sin (2:1).
