Which Road Will You Take? | Daniel 4

Jamie Rasmussen, senior pastor

Main Point: God is in the habit of helping us recognize pride and experience humility in our lives (Daniel 4:37).

Defining our terms:

1. Pride: “an unhealthily high estimation of oneself.”
 2. Humility: “a right (proper) estimation of oneself.”

Pivot Point: Without a biblically theocentric worldview, it’s very hard to be humble (Daniel 4:2–3,8–9).

Take Home Point: The right view of God leads to a healthy view of self (Daniel 4:17, 25, 30, 34–35).
